Scope and Purpose of the Yearbook

The Seventh-day Adventist Church conducts its activities through ecclesiastical organizations (such as local churches, local conferences and missions, unions, the General Conference and its divisions) and a wide array of other entities and corporations established for specific functions aligned with the Church’s beliefs, values and mission. The Seventh-day Adventist Yearbook (including the online version) is a directory of the organizational units and institutions that comprise the Seventh-day Adventist Church. It presents information on ecclesiastical organizations beyond the local church (the General Conference and its divisions, union and local conferences and missions) and on institutions that are owned, controlled or directed by these organizational units. All information in this Yearbook has been furnished by the organizations themselves and may have changed since submission for this publication; in cases where current reports were not received, the most recent previous records have been retained or adjusted. The General Conference of Seventh-day Adventists reserves the right at its sole discretion to change, modify, add, or remove any content.

The Yearbook does not define church structure or describe legal relationships among church entities or any of the listed organizations, most of which are separate legal entities. It is a directory of the many and varied organizations, other than local churches and congregations, local church-sponsored entities, and elementary schools, through which the Seventh-day Adventist Church advances its mission. No listed entity assumes any responsibility for the liabilities, debts, or alleged acts or omissions of any other listed entity simply because of its inclusion in this Yearbook. Persons with grievances or claims against a listed entity must directly address such with the entity involved and not with any other entity or organization.

The General Conference section lists its employees as follows: ordained ministers holding ministerial credentials, persons holding administrative ministries credentials, credentialed commissioned ministers, credentialed commissioned teachers, and credentialed missionaries. Employees whose credentials are issued by divisions, unions, conferences/missions, or institutions (other than General Conference institutions) are not published in this edition of the Yearbook. The Directory of Credentialed Employees, which lists all employees credentialed by the General Conference, gives the names and employing entity of these individuals, while institutional employees from around the world are listed separately in the Index of Institutional Employees.

The data that appears on the next page has been summarized largely from the 2020 Annual Statistical Report, New Series, Volume 1, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 2020.

Denominational History

Seventh-day Adventists are, doctrinally, heirs of the Millerite Movement of the 1840s. Although the name “Seventh-day Adventist” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church’s first missionary, J. N. Andrews, was sent to Switzerland. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco, California, and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 there were representatives in Japan. The Church now has established work in 216 countries.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Adventist Review and Sabbath Herald (now the Adventist Review), the general church paper, was launched in Paris, Maine in 1850; the Youth’s Instructor in Rochester, New York, in 1852; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened in 1866, and missionary society work was organized on a state-wide basis in 1870. The first of the Church’s worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, denominational headquarters moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to its current location in Silver Spring, Maryland.

The distinctive Seventh-day Adventist message may be summarized as “the everlasting gospel,” the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, “for the hour of his judgment is come.” This message is epitomized in the phrase, “the commandments of God, and the faith of Jesus.”

SYSTEM CODES — Explanation

Three types of codes are included with each administrative field and institution; they appear under the general heading “System Codes” at the end of each entity’s Yearbook entry. These codes are used in denominational information management systems. An example are the codes for the East-Central Africa Division: System Codes: EntityID, 20731; OrgMastID, AF1111; AdmFieldID, ECD.
FUNDAMENTAL BELIEFS OF SEVENTH-DAY ADVENTISTS

(As amended at the 60th Session held in San Antonio, Texas, United States of America, July 2 to July 11, 2015)

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These beliefs, as set forth here, constitute the church’s understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference Session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God’s Holy Word.

1. The Holy Scriptures

The Holy Scriptures, Old and New Testaments, are the written Word of God. They were written by human men inspired by the Holy Spirit. The inspired authors wrote as they were moved by the Holy Spirit. In this Word, God has committed to humanity the knowledge necessary for salvation. The Holy Scriptures are the supreme, authoritative, and infallible revelation of God. In the Holy Scriptures, God, who is love, is the self-revealer of doctrines, and the trustworthy record of God’s acts in history. (Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; 2 Tim. 3:16, 17; Heb. 4:12; 2 Peter 1:20, 21.)

2. The Trinity

There is one God: Father, Son, and Holy Spirit, a unity of three coeternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and beyond human comprehension, yet known through His self-revelation. God, who is love, is the worthy object of worship, adoration, and service by the whole creation. (Gen. 1:26; Deut. 6:4; Isa. 6:8; Matt. 28:19; John 3:16; 2 Cor. 1:21, 22; 13:14; Eph. 4:6; 1 Peter 1:2.)

3. The Father

God the eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also those of the Father. (Gen. 1:1; Deut. 4:35; Ps. 110:1-4; John 3:16; 14:9; 1 Cor. 15:28; 1 Tim. 1:17; 1 John 4:8; Rev. 4:11.)

4. The Son

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly human, Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being, yet without sin. He taught that man is to trust in the power and wisdom of the Father, and was attested as God’s promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to heaven to minister in the heavenly sanctuary in our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things. (Isa. 53:4-6; Dan. 9:25-27; Luke 1:35; John 1:1-3, 14; 5:22; 10:30; 14:1-3, 9, 13; Rom. 6:23; 1 Cor. 15:3, 4; 2 Cor. 3:18; 5:17-19; Phil. 2:5-11; Col. 1:15-19; Heb. 2:9-18; 8:1, 2.)

5. The Holy Spirit

God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He is as much a person as are the Father and the Son. He inspires the writers of Scripture. He filled Christ’s life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son in the way of salvation. (Gen. 1:2-3; 6-8; Job 1:6-12; Isa. 14:12-14; Ezek. 28:12-18; Rom. 1:19-32; 3:4; 5:12-21; 8:19-22; 1 Cor. 4:9; Heb. 1:14; 1 Peter 5:8; 2 Peter 3:6; Rev. 12:4-9.)

6. Creation

God has revealed in Scripture the authentic and historical account of His creative activity. He created the universe, and in a recent six-day creation the Lord made “the heavens and the earth, the sea, and all that is in them” and rested on the seventh day. Thus He established the Sabbath as a perpetual memorial of the work He performed and completed during six literal days that together with the Sabbath constituted the same unit of time that we call a week today. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was “very good,” declaring the glory of God. (Gen. 1:2; 5:11; Exod. 20:8-11; Ps. 19:16; 33:6, 9; 104; Isa. 45:12, 18; Acts 17:24; Col. 1:16; Heb. 1:2; 11:3; Rev. 10:6; 14:7.)

7. The Nature of Humanity

Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position. The image of God in them was marred and they became subject to sin, death, and its consequences. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and by His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; 2:7, 15; 3:8-4:8; 51:5, 10; 58:3; Jer. 17:9; Acts 17:24-28; Rom. 5:12-17; 2 Cor. 5:19, 20; Eph. 2:3; 1 Thess. 5:23; 1 John 3:4; 4:7, 8, 11, 20.)

8. The Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God’s adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the global flood, as presented in the historical account of Genesis 1-11. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Gen. 3:6-8; Job 1:6-12; Isa. 14:12-14; Ezek. 28:12-18; Rom. 1:19-32; 3:4; 5:12-21; 8:19-22; 1 Cor. 4:9; Heb. 1:14; 1 Peter 5:8; 2 Peter 3:6; Rev. 12:4-9.)

9. The Life, Death, and Resurrection of Christ

In Christ’s life of perfect obedience to God’s will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the righteousness of God’s law and the graciousness of His character; for it both condemns our sin and provides for our
forgiveness. The death of Christ is substitutionary and expiatory, reconciling the transformed sinner to God. The holy resurrection of Christ proclaims God’s triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus Christ, before whom every knee in heaven and on earth will bow. (Gen. 3:15; Isa. 53; 1 Cor. 15:23; 2:19-22; 2 Cor. 5:14, 15, 19-21; Phil. 2:6-11; Col. 2:15; 1 Peter 2:21, 22; 1 John 2:2; 4:10.)

10. The Experience of Salvation

In infinite love and mercy God made man, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Saviour and Lord, Substitute and Example. This saving faith comes through the divine power of the Word and is the gift of God’s grace. Through Christ we are justified, adopted as God’s sons and daughters, and delivered from the lordship of sin. Through the Spirit we are born again and sanctified; the Spirit renews our minds, writes God’s law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partners of the divine nature and have the assurance of salvation now and in the judgment. (Gen. 3:15; Isa. 45:22; 53; Jer. 31:31-34; Ezek. 33:11, 36:25-27; Hab. 2:4; Mark 9:23, 24; John 3:3-8, 16; 16:8; Rom. 3:21-26; 8:1-17; 14:7-16; 10:17; 12:2; 2 Cor. 5:17; Gal. 2:15, 27; 4:6; Eph. 3:1-10; Col. 1:13, 14; Titus 3:3-7; Heb. 8:7-12; 1 Peter 1:23; 2:1, 22; 2 Peter 1:3, 4; Rev. 13:8.)

11. Growing in Christ

By His death on the cross Jesus triumphed over the forces of evil, He who subjugated the demonic spirits during His earthly ministry has broken their power and made certain their ultimate doom. Jesus’ victory gives us victory over the evil forces that still seek to control us, as we walk with Him in peace, joy, and assurance of His love. Now the Holy Spirit dwells within us and empowers us. Continually committed to Jesus as our Saviour and Lord, we are set free from the burden of our past deeds. No longer do we live in the darkness, fear of evil powers, ignorance, and meaninglessness of our former way of life. In this new freedom in Christ, we are called to grow into the likeness of His character, communing with Him daily in prayer, feeding on His Word, meditating on it and on His providence, singing His praises, gathering together for worship, and participating in the mission of the Church. We are called to follow Jesus’ example of compassionately ministering to the physical, mental, social, emotional, and spiritual needs of humanity. As we give ourselves in loving service to those around us and in witnessing to His salvation, His constant presence with us through the Spirit transforms every moment and every task into a spiritual experience. (1 Chron. 29:11; Ps. 1:1, 2; 23:4; 77:11, 12; Matt. 20:25-28; 25:31-46; Luke 10:17-20; John 20:21; Rom. 8:39, 39; 2 Cor. 3:17, 18; Gal. 5:22-23; Eph. 5:19, 20; 6:12-18; Phil. 3:17-14; Col. 1:13, 14; 2:6, 14, 15; 1 Thess. 5:16-18, 23; Heb. 10:25; James 1:27; 2 Peter 2:9; 3:18; 1 John 4:4.)

12. The Church

The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world, and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord’s Supper, for service to humanity, and for the worldwide proclamation of the gospel. The church derives its authority from the church in Christ, the Head and Example. This saving faith comes through the divine power of the Word and is the gift of God’s grace. Through Christ we are justified, adopted as God’s sons and daughters, and delivered from the lordship of sin. We are also called to follow Jesus’ example by compassionately ministering to the needs of God’s people, gathered for worship, and participating in the mission of the church. We are called to grow into the likeness of His character, communing with Him daily in prayer, feeding on His Word, meditating on it and on His providence, singing His praises, gathering together for worship, and participating in the mission of the Church. We are called to follow Jesus’ example of compassionately ministering to the physical, mental, social, emotional, and spiritual needs of humanity. As we give ourselves in loving service to those around us and in witnessing to His salvation, His constant presence with us through the Spirit transforms every moment and every task into a spiritual experience. (1 Chron. 29:11; Ps. 1:1, 2; 23:4; 77:11, 12; Matt. 20:25-28; 25:31-46; Luke 10:17-20; John 20:21; Rom. 8:39, 39; 2 Cor. 3:17, 18; Gal. 5:22-23; Eph. 5:19, 20; 6:12-18; Phil. 3:17-14; Col. 1:13, 14; 2:6, 14, 15; 1 Thess. 5:16-18, 23; Heb. 10:25; James 1:27; 2 Peter 2:9; 3:18; 1 John 4:4.)

13. The Remnant and Its Mission

The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy, this remnant has been called out to fulfill the mission of Jesus Christ and the faith of the Lord. This remnant proclaims the arrival of the judgment hour, proclaims salvation through Christ, and heralds the approach of His second advent. This proclamation is symbolized by the three angels of Revelation 14; it coincides with the work of judgment in heaven and results in a work of repentance and reform on earth. Every believer is called to have a personal part in this worldwide witness. (Dan. 7:9-14; Isa. 1:9; 11:11; Jer. 23:3; Mic. 2:12; 2 Cor. 5:10; 1 Peter 1:16-19, 4:17; 2 Peter 3:10-14; Jude 3, 14; Rev. 12:17, 14:6-12; 18:1-4.)

14. Unity in the Body of Christ

The church is one body with many members, called from every nation, kindred, tongue, and people. In Christ we are a new creation, distinctions of race, culture, learning, and nationality, and differences between high and low, rich and poor, male and female, must not be divisive among us. We are all equal in Christ, who by one Spirit has bonded us into one fellowship with Him and with one another; we are to serve and be served without partiality or reservation. Through the atonement of Jesus Christ we share the same faith and hope, and reach out in one witness to all. This unity has its source in the oneness of the triune God, who has adopted us as His children. (Ps. 133:1; Matt. 28:19, 20; John 17:20-23; Acts 17:26, 27; Rom. 12:4, 5; 1 Cor. 12:12-14; 2 Cor. 5:16, 17; Gal. 3:27-29; Eph. 2:13-16; 4:3-6, 11-16; Col. 3:10-15.)

15. Baptism

By baptism we confess our faith in the death and resurrection of Jesus Christ, and testify of our death to sin and of our purpose to walk in newness of life. Thus we acknowledge Christ as Lord and Saviour, become His people, and are received as members by His church. Baptism is a symbol of our union with Christ, the forgivenss of our sins, and our reception of the Holy Spirit. It is by immersion in water and is contingent on an affirmation of faith in Jesus and evidence of repentance of sin. It follows instruction in the Holy Scriptures and acceptance of their teachings. (Matt. 28:19, 20; Acts 2:38; 16:30-33; 22:16; Rom. 6:1-6; Gal. 3:27; Col. 2:12, 13.)

16. The Lord’s Supper

The Lord’s Supper is a participation in the emblems of the body and blood of Jesus as an expression of faith in Him, our Lord and Saviour. In this experience of communion Christ is present to meet and strengthen His people. As we partake, we joyfully proclaim that He is coming again. Preparation for the Supper includes self-examination, repentance, and confession. The Master ordained the service of foot-washing to signify renewed cleansing, to express a willingness to serve one another in Christlike humility, and to unite our hearts in love. The communion service is open to all believing Christians. (Matt. 26:17-30; John 6:48-63; 13:1-17; 1 Cor. 10:16, 17; 11:23-30; Rev. 3:20.)

17. Spiritual Gifts and Ministries

God bestows upon all members of His church in every age spiritual gifts that each member is to employ in loving ministry for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member as He wills, the gifts provide all abilities and the means necessary for the church’s mission and ordained functions. According to the Scriptures, these gifts include such ministries as faith, healing, prophecy, proclamation, teaching, administration, reconciliation, compassion, and self-sacrificing service and charity for the help and encouragement of His people. Some members are called by God and endowed by the Spirit for functions recognized by the church in pastoral, evangelistic, and teaching ministries particularly needed to equip the members for service, to build up the church to spiritual maturity, and to foster unity of the faith and knowledge of God. When members employ these spiritual gifts as faithful stewards of God’s varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Acts 6:1-7; Rom. 12:4-8,
1. The Sabbath

The gracious Creator, after the six days of Creation, rested on the seventh day and instituted the Sabbath for all people as a memorial of Creation. The fourth commandment of God's unchangeable law requires rest on the seventh-day Sabbath as the day of rest, worship, and ministry in harmony with the teaching and practice of Jesus, the Lord of the Sabbath. It is a day of delightful communion with God and one another. It is a symbol of our redemptive family closeness, an expression of our allegiance, and a foretaste of our eternal future in God's kingdom. The Sabbath is God's perpetual sign of His eternal covenant between Him and His people. Joyful observance of this holy time from evening to evening, sunset to sunset, is a celebration of God's greater creative and redemptive acts. (Gen. 2:1-3; Exod. 20:8-11; 31:13-17; Lev. 23:32; Deut. 5:12-15; Isa. 56:5; 6:5; 58:13, 14; Ezek. 20:12, 20; Matt. 12:1-12; Mark 1:32; Luke 4:36; Heb. 4:1-11.)

21. Stewardship

We are God's stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God's ownership by returning tithe and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in the family of God which embraces both single and married persons. (Gen. 2:16-23; Exod. 20:12; Deut. 6:5-9; Prov. 22:6; Mal. 3:6-10; Luke 12:22; Matt. 5:3-10, 42; 19:3-9, 12; Mark 10:11, 12; John 2:1-11; 1 Cor. 7:7, 10, 11; 2 Cor. 6:14; Eph. 5:21-33; 6:1-4.)

24. Christ's Ministry in the Heavenly Sanctuary

There is a sanctity in heaven, the true tabernacle that the Lord set up and not humans. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. At His ascension, He was inaugurated as our great High Priest and, began His second and last phase of His atoning ministry which was typified by the work of the high priest in the most holy place of the earthly sanctuary. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry, which was typified by the work of the high priest in the most holy place of the earthly sanctuary. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are purified with the perfect sacrifice of the blood of Jesus. The investigative judgment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. It also makes manifest who among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus. The investigative judgment is the preliminary work before the translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the end of human probation before the throne of God. (Gen. 2:16; Num. 14:34; Ezek. 4:6; Dan. 7:9-27; 8:13, 14; 9:24-27; Heb. 1:3; 2:16, 17; 4:14-16; 8:1-5; 9:11-28; 10:19-22; Rev. 8:3-5; 11:19; 14:6, 7; 20:12; 14:12; 22:11, 12.)
heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ’s coming is near. The time of that event has not been revealed, and we are therefore exhorted to be ready at all times. (Matt. 24; Mark 13; Luke 21; John 14:1-3; Acts 1:9-11; 1 Cor. 15:51-54; 1 Thess. 4:13-18; 5:1-6; 2 Thess. 1:7-10; 2:8; 2 Tim. 3:1-5; Titus 2:13; Heb. 9:28; Rev. 1:7; 14:14-20; 19:11-21.)

26. Death and Resurrection
The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later. (Job 19:25-27; Ps. 146:3, 4; Eccl. 9:5, 6, 10; Dan. 12:2, 13; Isa. 25:8; John 5:28, 29; 11:11-14; Rom. 6:23; 16; 1 Cor. 15:51-54; Col. 3:4; 1 Thess. 4:13-17; 1 Tim. 6:15; Rev. 20:1-10.)

27. The Millennium and the End of Sin
The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabitants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city; but fire from God will consume them and cleanse the earth. The universe will thus be freed of sin and sinners forever. (Jer. 4:23-26; Ezek. 28:18, 19; Mal. 4:1; 1 Cor. 6:2, 3; Rev. 20; 21:1-5.)

28. The New Earth
On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (Isa. 35; 65:17-25; Matt. 5:5; 2 Peter 3:13; Rev. 11:15; 21:1-7; 22:1-5.)

At each regular General Conference Session, the General Conference shall elect a General Conference Auditing Service Board which shall be constituted as follows: General Conference president, a General Conference vice president as subsequently assigned by the president, General Conference secretary, General Conference treasurer/chief financial officer, director of the General Conference Auditing Service, and one member from each division who is not employed denominationally, chosen from among qualified Seventh-day Adventist auditors and/or other knowledgeable professionals in related fields. The chair of the Board shall be a layperson selected by the Board from among its members. The vice chair shall be the vice president of the General Conference who serves as a member of the Board. The secretary of the Board shall be the director of the General Conference Auditing Service.

b. A quorum of the General Conference Auditing Service Board shall be 50 percent plus one, the majority of whom shall be nondenominationally employed members.

Sec. 3. The General Conference Auditing Service, ever sensitive to the country-specific regulations governing the audits of denominational entities in a particular country, serves as the Seventh-day Adventist Church’s preferred provider of assurance and related services. The client base includes all denominational organizations such as General Conference institutions, world divisions and their institutions, unions/con-
fences/missions/fields/regions/mission stations and their in-
stitutions/missions/organizations and their educational
institutions at the secondary level or higher, and Adventist De-
velopment and Relief Agency country offices and projects not
audited by external auditors. Exceptions to the above global
requirements shall be by specific action of the General Con-
ference Executive Committee.

ARTICLE IX—GENERAL CONFERENCE AND DIVISION FIELD SECRETARIES

Sec. 1. The term “field secretary” shall be used to designate
the role of persons elected/appointed to assist the officers of
the General Conference or division in a range of general or
specific responsibilities.

Sec. 2. A General Conference “field secretary” ordinarily
carries another portfolio of responsibility, the nature of which
involves frequent interactions with global church leadership.
In the role of field secretary this person works under the di-
rection of the president or another designated officer. Field
secretaries shall be elected by the General Conference Execu-
tive Committee after having been appointed to their primary
responsibility by their respective board, the General Confer-
ence Executive Committee, or the General Conference Ad-
ministrative Committee, as appropriate. The term of service
as field secretaries is contingent on the term of service in the
individual’s primary responsibility.

Sec. 3. The term “division field secretary” shall be used to
designate field leaders appointed by a division executive com-
mittee and designated to serve in a field service or to special projects
or responsibilities. They may be appointed as necessary to
serve in the divisions under the direction of the president or
designee.

ARTICLE X—DEPARTMENTS AND ASSOCIATIONS

Sec. 1. Departmental and association directors/secretaries and
associate directors/secretaries shall be elected by the Gen-
eral Conference Session and assistants shall be appointed as
determined by the General Conference Executive Committee to
serve the world Church through the Ministerial Association and
the following departments: Adventist Chaplaincy Min-
istries, Children’s Ministries, Communication, Education, Family Ministries, Health Ministries, Public Affairs and Reli-
gious Liberty, Publishing Ministries, Sabbath School and Per-
sonal Ministries, Stewardship Ministries, Planned Giving and
Trust Services, Women’s Ministries, and Youth Ministries.

Should changes to the departmental structure of the Gen-
eral Conference be deemed necessary, such changes may be
approved and implemented by action of the General Confer-
ence Executive Committee at Annual Council and continued,
subject to ratification at the next General Conference Session.

When additions or changes to department or association
structures are implemented at times other than in connection
with a General Conference Session, the General Conference
Executive Committee at an Annual Council shall also address
the staffing needs involved until the next General Conference
Session.

Sec. 2. The departmental, association, agency, and service
directors/secretaries shall work under the direction of the pres-
ident and the General Conference Executive Committee. Departmen-
tal, association, agency, and service personnel shall function in an advisory capacity to the field.

Sec. 3. The term “associate director/secretary” shall be used to
designate those persons who may be elected to associate
with the director/secretary of any General Conference depart-
ment, association, agency, or service in carrying the responsi-
bilities of the office. Such persons, who shall work under the
direction of their respective departmental, association, agency,
or service directors/secretaries, shall have the requisite
experience, background, and expertise to facilitate their work in carrying on the functions assigned to them not only at the General Conference headquarters but also throughout the world field. Certain specialized activities may be largely accomplished without extensive field activity.

Sec. 4. The term “assistant director/secretary” shall be used to
designate those persons whose responsibilities are de-
termined by the General Conference Executive Committee to
assist the director/secretary and associates in any depart-
ment, association, agency, or service in carrying out the work of the General Conference, usually in one or more spe-
cial procedures or functions. Such persons, who shall work under the direction of departmental, associ-
ation, agency, or service directors/secretaries, shall fulfill these special assignments largely in the office and serve to expedite the work of the departmental, association, agency, or service staff. Field appointments for assistants shall be of a very limited nature.

Sec. 5. Departmental and association directors/secretaries,
associates, and assistants shall assist the executive officers of
the General Conference in their leadership and nurture of the
Church, by promoting the plans and programs of the Church
as approved by the General Conference Executive Commit-
tee, and by facilitating the involvement of the membership in
the mission of the Church. This will be accomplished through
the production of resources and through promotion, consulta-
tion, coordination, and leadership development. Departmen-
tal plans and programs shall be developed and coordinated
by the departments under the direction of an administrative
officer, be processed through administration, and receive
General Conference Executive Committee approval, when
ever deemed advisable, before implementation and promo-
tion in the field.

ARTICLE XI—DIVISION DEPARTMENTS—DIRECTORS/SECRETARIES, ASSOCIATES, AND ASSISTANTS

Divisions shall appoint departmental, association, agency,
and service directors/secretaries who shall serve under the di-
rection of their respective division presidents and executive
committees. They shall also appoint associate and assistant
directors/secretaries as may be needed to serve in special ca-
pacities under the direction of their respective directors/ sec-
retaries.

These appointments shall normally be made at the time of
the regular General Conference Session, but in no event later
than December 31 in the year of the regular General Confer-
ence Session.

ARTICLE XII—DIRECTOR OF OFFICE OF ARCHIVES, STATISTICS, AND RESEARCH

At the first Annual Council of the General Conference Ex-
cutive Committee following a regular session, the General
Conference shall appoint a director of Office of Archives, Sta-
tistics, and Research whose duties shall be to administer the
General Conference Office of Archives, Statistics, and Re-
search and to compile and report the statistics of the world
work, and who shall serve under the direction of the General
Conference secretary and the General Conference Executive Committee.

ARTICLE XIII—GENERAL CONFERENCE EXECUTIVE COMMITTEE

Sec. 1. a. During the intervals between Sessions of the Gen-
eral Conference, the General Conference Executive Commit-
tee is delegated the authority to act on behalf of the General
Conference in Session. The membership of the General Con-
ference Executive Committee includes representatives of all
the divisions of the world field and the presidents of all unions
and therefore speaks for the world Church. Major items af-
fecting the world Church are considered at the Annual Coun-
cil meetings of the General Conference Executive Committee,
when all the members of the Committee are invited to be present.
The authority, therefore, of the General Conference
Executive Committee is the authority of the world Church.

b. The General Conference Executive Committee shall also
have power to grant or withdraw credentials or licenses, to
appoint committees, such as an administrative committee,
with their terms of reference, to review, change, and create
working policies, to approve strategic plans and programs for
the world Church, to employ personnel that may be necessary
to carry on the work, and to act in all other respects
as the General Conference in Session.

c. The General Conference Executive Committee shall
have power to elect or remove, for cause, officers, directors,
and committee members and to fill for the current term any
carried vacancies that may occur in its offices, boards, committees,
or agents due to death, resignation, or other reasons. The
phrase “for cause,” when used in connection with removal
from an elected or appointed position, shall include but not be limited to: 1) incompetence; 2) failure to cooperate with duly constituted authority in substantive matters and with relevant employment and denominational policies; 3) actions which may be the subject of discipline under the Seventh-day Adventist Church Manual; or 4) failure to maintain regular standing as a member of the Seventh-day Adventist Church.

d. The General Conference Executive Committee shall have power to effect the retirement, before the expiration of the term for which they have been elected, of persons elected under Article VI, Sec. 1. of the Constitution who may develop a health condition that prevents them from properly discharging their duties.

e. The removal from office by the General Conference Executive Committee of any person elected under Article VI, Sec. 1. of the Constitution or its withdrawal of credentials or licenses shall be by a two-thirds vote of the members present and voting at any regular meeting.

f. The General Conference Executive Committee shall have the power to remove, for cause, members from the Executive Committee or any committee for which it is responsible by a two-thirds majority vote of the members present and voting at any duly called meeting.

Sec. 2. a. A meeting of the General Conference Executive Committee, known as the Annual Council, shall be held annually for the purpose of considering budget requests and approval of the budget, for the transaction of other business, and the adoption of policies that may be necessary in the operation of the worldwide work.

b. A meeting of the General Conference Executive Committee, known as the Spring Meeting, shall be held annually for the purpose of reviewing the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided for in the General Conference Working Policy relating to Spring Meetings.

Sec. 3. A majority of the full membership of the General Conference Executive Committee, including the president or a general vice president, is empowered to transact denominational business of any nature at any time and place. All meetings require notice to members as per Sec. 8. below.

Sec. 4. Any fifteen members of the General Conference Executive Committee, including the president or a general vice president, shall constitute a quorum of the Executive Committee for the disposition of routine items, and shall be empowered to transact business that is in harmony with the general plans outlined by the Executive Committee. A quorum of forty members is required for the disposition of non-routine items such as major financial decisions, the dismissal of elected and appointed employees, and the election of presidents of divisions and of general vice presidents. All meetings require notice to members as per Sec. 8. below.

Sec. 5. All meetings of the General Conference Executive Committee shall be held at the General Conference headquarters, or at another place that may be voted by the Executive Committee. Members may participate in meetings by means of a telephone conference or similar communications by which all persons participating can hear each other at the same time, and participation by such means shall constitute presence in person at such a meeting. All meetings require notice to members as per Sec. 8. below.

Sec. 6. Meetings of the General Conference Executive Committee may be called at any time by the ranking officer of the General Conference who may be present at headquarters, and this officer, or any member of the Executive Committee appointed, in harmony with Bylaws, Article III, Sec. 2., shall act as chair of the meeting.

Sec. 7. Local conference/mission/field presidents shall be invited to attend Annual Council meetings of the General Conference Executive Committee when it is held within the territory of their division. Unless an executive session, which consists of members only, is called, such invitees shall be extended the privilege of participation in all discussions of the meeting, but without vote.

Sec. 8. Notice as to time, place, and any other requirements under these Bylaws of all General Conference Executive Committee meetings shall be provided to all members in a reasonable manner at least three (3) days prior to the meeting, and the meeting is to take place by telephone conference or similar communications, or at least fourteen (14) days if it is to take place in person, unless the meeting is held during a General Conference Session. These notice requirements are waived in the case of a General Conference Executive Committee meeting held during the General Conference Session since all General Conference Executive Committee members are expected to be in attendance at the Session.

ARTICLE XIV—DIVISION EXECUTIVE COMMITTEES

Sec. 1. In each division, a division executive committee shall be constituted, as hereinafter provided, for the trans- action of business pertaining to the division. The division executive committee shall function on behalf of the General Conference Executive Committee in the division, and its authority shall be recognized by union and local organizations in matters of division administration and counsel. A division may establish for the use, benefit, and purpose of the church in countries of that division various legal entities and may entrust the governance or other functions provided such responsibility is exercised in harmony with denominational policies and values.

Sec. 2. The ex-officio members of a division executive committee shall be the division president, the division secretary/chief financial officer, other division officers, the division vice presidents, and the division field secretaries; the heads of division institutions; the presidents of union conferences; the presidents of union missions; the presidents of unions of churches; the presidents of attached conferences/missions/fields; the directors of division departments, associations and services; and any members of the General Conference Executive Committee present. Other division executive committee members shall be appointed according to the policies of the division. Appointed members shall include representation from denomi- national employees and from church members in regular standing who are not denominationally employed. Denom- inational employee representation shall include some pas- tors and institutional personnel.

Sec. 3. The actions taken by division executive commit- tees pertaining to the administration of affairs in division territories shall be considered final, provided they are in harmony with the plans and policy of the General Confer- ence Executive Committee as set forth in the Constitution and Bylaws and with General Conference Executive Committee actions.

Sec. 4. Five members of a division executive committee, including the chair, shall constitute a quorum for the trans- action of routine business. When the chair is unable to be present, the secretary may convene such a meeting at division headquarters, and shall serve as chair. Meetings of fewer than five members of the division executive committee may be held for the transaction of necessary rou- tine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present. A quorum of ten members or 25 percent of the committee membership, whichever is greater, is required for the disposition of non- routine items such as major financial decisions, the dis- missal of elected and appointed employees, and the appointment of union mission officers. To the extent per- mitted by applicable law, division executive committee members may participate in meetings by means of a tele- phone conference or similar communications by which all persons participating can hear each other at the same time, and participation by such means shall constitute presence in person at such a meeting.

Sec. 5. Notice as to time, place, and any other requirements under these Bylaws of all division executive committee meet- ings shall be provided to all members in a reasonable manner appropriate for the jurisdiction.

ARTICLE XV—AUDIT OF THE GENERAL CONFERENCE

The General Conference Executive Committee shall have an audit of the financial statements of the General Conference and of the General Conference Corporation conducted by an external auditor at least once each calendar year. The external auditor shall conduct an annual financial audit compli- ance test of these organizations, and shall report annually the results of the financial audit and policy compliance test to the General Conference Executive Committee and to the General Confer- ence at its regular sessions.
ARTICLE XVI—RENUMERATION AND EXPENSES

Sec. 1. The General Conference Executive Committee shall appoint annually a minimum of eight persons not in its employ who, with officers of the General Conference and not less than seven presidents of unions, shall constitute a committee to review the remuneration, related allowances, and expenses of employees.

Sec. 2. The General Conference Executive Committee shall have power to make necessary adjustments from time to time in the remuneration of employees.

ARTICLE XVII—FUNDS

Sec. 1. The funds of the General Conference shall be as follows:

a. A percentage of the tithe receipts of the local conference/mission/field/region/field station shall be forwarded through denominational channels in accordance with the General Conference Working Policy.

b. A percentage of the tithe receipts of the union of churches shall be forwarded through the division in accordance with the General Conference Working Policy.

c. Regular mission offerings.

d. Special gifts. Proceeds from the maturities of planned giving designated for the General Conference.

ARTICLE XVIII—DIVISION RETIREMENT PLANS

Sec. 1. Divisions shall adopt a plan for the support of retired and/or disabled employees and for dependent spouses and dependents of such employees in harmony with the principles set forth in the General Conference Working Policy.

Sec. 2. Such plans shall be funded by contributions from participating organizations as agreed upon by the respective division executive committees.

ARTICLE XIX—APPROPRIATIONS

Sec. 1. The General Conference Executive Committee shall make its regular appropriations to the world field at Annual Councils. These appropriations are to be based on budget requests from the fields.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall usually be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major projects shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to divisions shall be administered by the respective division executive committees.

Sec. 4. All funds raised in divisions, except the regular funds belonging to the General Conference as indicated under Article XVII, shall be used for the advancement of the work for which they were raised and are to be administered by the respective church entity in harmony with denominational policy.

Sec. 5. To the extent permitted by law, General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

ARTICLE XX—FINANCE

Sec. 1. To provide a working fund for regular operations and to protect against a possible financial emergency or depression, the General Conference shall maintain an amount of working capital as defined and specified in the General Conference Working Policy.

Sec. 2. The General Conference Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make annuity contracts; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be appropriated for the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the General Conference Executive Committee, the General Conference Treasury, nor of any agent or agency of the denomination to lend these funds to private individuals, to endorse notes, sign bonds or other securities, or in any other way to divert the funds of the General Conference from their intended purpose.

Sec. 4. The basis for computing goals and per capita funds shall be the membership on June 30 of the preceding year as officially recorded by the General Conference Office of Archives, Statistics, and Research.

ARTICLE XXI—INDEMNIFICATION

Sec. 1. To the extent permitted by law, the General Conference shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, because he/she is or was a member of the General Conference Executive Committee, a delegate to a General Conference Session, or an officer, employee, or agent of the General Conference against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit, or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the General Conference, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his/her conduct was unlawful.

Sec. 2. This right of indemnification shall be in addition to, and not exclusive of, all other rights to which such person may be entitled.

Seventh-day Adventist Mission Challenge:
The countries of the “10/40 Window” (approved by the GC Mission Board) and the World Divisions to which they are assigned.
Matthew 24:14: “And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.” NIV

The 10/40 Window describes a rectangular-shaped region of the world map in the eastern hemisphere between the 10 and 40 northern lines of latitude, which includes North Africa, the Middle East, and Asia, where more than 60% of the world’s population live. This region is home to some of the largest people groups who do not have access to the Gospel message. The majority of the world’s least evangelized countries and a great number of the poor are within the 10/40 Window. It contains three of the world’s dominant religions: Islam, Hinduism, and Buddhism, plus the non-religious. Much of this region also has Biblical and historical significance.

EDUCATIONAL INSTITUTIONS

This directory includes educational institutions owned and operated by the Seventh-day Adventist Church around the world, arranged in alphabetic order of their English-equivalent names. The entities are grouped in four sections. The first lists post-secondary institutions—colleges, seminaries, and universities (accredited and non-accredited). The second presents accredited mid-level institutions. The third lists only accredited, complete/full secondary schools. The fourth provides statistics on Seventh-day Adventist elementary schools in each of the world divisions. The secondary and post-secondary institutions are classified according to the following categories:

- **G**: A tertiary-level institution offering one or more graduate degree programs under its own authority.
- **C**: A tertiary-level institution offering one or more baccalaureate degrees under its own authority.
- **MLi**: Offers education beyond the secondary level but less than a four-year bachelor's degree, typically leading to employment as a mid-level practitioner.
- **JC**: A tertiary-level institution offering less than four years of post-secondary studies (not leading to a baccalaureate degree).
- **CS**: A complete secondary school (providing basic requirements for admission to tertiary institutions in the country).
- **CSb**: A complete secondary school (providing basic requirements for admission to tertiary institutions in the country), with boarding facilities.
- **WT**: An employee training school offering secondary-level and/or advanced studies.

*Note*: Secondary schools, mid-level institutions, colleges, seminaries, and universities that are currently accredited by the Adventist Accrediting Association are identified by the acronym, AAA.

INDEX OF ENDORSED AND ADJUNCT ENDORSED FACULTY

Denominational Endorsement of Teachers in Religion, Theology, and Ministerial Training in Seventh-day Adventist Educational Institutions

Seventh-day Adventist colleges, seminaries, and universities openly uphold and teach what the body of Seventh-Adventist church members agree to be the best current understanding of the Bible. The International Board of Ministerial and Theological Education (IBMTE) provides overall guidance and standards for the professional training that Church-supported institutions offer to pastors, evangelists, theologians, teachers of Bible and religion, chaplains, and other denominational employees involved in ministerial and religious formation.

IBMTE now offers a Certificate of Denominational Endorsement to those who have been recommended by their schools and divisions. The certificate certifies that an individual has met the professional and ethical standards of the IBMTE and is authorized to teach religion and theology and provide ministerial training in Seventh-day Adventist institutions. It promotes transparency, disclosure and mutual accountability regarding standards for teaching religion/theology in Seventh-day Adventist Schools.

The Seventh-day Adventist Yearbook will now list under the schools with which they are associated the names of those individuals who have been given the Certificate of Denominational Endorsement. The names will be listed at the end of the administration section, and also under their sub-school, if the institution is divided into sub-entities. The indices for these names will be titled Endorsed Faculty, or Adjunct Endorsed Faculty (adjunct means teaching less than full-time or primarily employed at another institution). This index will provide an alphabetical listing of these individuals with their schools, with Adjunct Endorsed Faculty being indicated by (Adj) at the end of their listing.

## LIST OF COUNTRIES WITH THEIR ORGANIZATIONAL LOCATIONS

This list contains countries and areas of the world (mainly as listed in the online United Nation's Statistics Division, Standard Country and Area Codes Classifications (M49) list, November 6, 2013), especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference, union mission, or local field where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country should consult both this list and the General Index to find the page where the desired Seventh-day Adventist headquarters is given.

### NOTE:
* Indicates an area/island/region that is actually a subsidiary of one of the countries or areas mentioned in the United Nations report above.
